About Math

Siddhagiri Math in Kaneri, Taluka Karvir, District Kolhapur is the highest seat of the Kadsiddheshwar tradition. It is the place where the first Kadsiddheshwar Swamiji, Shri Niramay Kadsiddheshwar came and settled in 7th century C.E. Since then the Math has been guiding its followers in both spiritual and worldly matters. Siddhagiri Math is the Sthir Peeth of the Kadsiddheshwar Tradition. It was previously known as Kaneri math. Siddhagiri Math had been rigorously working towards the betterment of society for centuries with primary focus on village development. Competent villages lead to a competent Nation.

About SUMANGALAM

- **SUMANGALAM** is an initiative of some like-minded organizations of the country. This initiative aims to present profound and pragmatic solutions based on the Bharatiya thought with respect to the present existential crisis that has emerged due to rapidly changing climate.
- The main objective of **'Sumangalam'** is to present the unique Bharatiya concept of, firstly, securing purity of the five basic elements of the nature, i.e., Panchmahabhoot– the earth, the water, the fire, the air, and the space; and secondly, attaining the order, balance, or rather harmony, between them, for the survival and sustainability of life on Earth.
